Patsy,

This life is full of laughs, tears, surprises, and disappointments. But where there is love there is happiness. Tears turn to laughter, and disappointments turn to faith and hope.

As long as we are together, babe, there is love.

If you are going to travel with me, don't expect to ride down any freeway. You can expect a rough ride down a rocky road — but you can expect to get where we're goin'.

My mother told me once - "Don't ever break a promise to a woman. Treat her right but be firm. That's how to handle a woman." Well, babe, I break promises - promises to you and promises to me and promises to everyone else. But if you treat me right and stay with me and love me, you will see the day when I never break another promise, and I'll save my promises for you.

Differences arise between everyone. "It is more blessed to give than to recieve." One of the greatest gifts one can give is to "give in" to another.

If we unite our trusts in God and in Jesus Christ we will have a strong and healthy love. If we do this and unite ouselves in trust and love, we will have the blessings of God and we will surely find happiness for eternity.

Babe, youre beautiful. Your beauty starts within your heart and radiates outward like the glow of a candle... like the stars which mold your fate — Virgo.... The fresh beauty of the untouched virgin will always be yours.

...The little girl who has always been a woman...
The woman who will always be a little girl....

When we're together a boy and girl become a man and a woman. Such is the magic of love.

I could write forever of your goodness and beauty — long hair just for me - the glowing face of an angel (or a mischevious child) — but the love of a man and woman comes from inside — the perfect union of true hearts. will it suffice to say - from the depths of my heart and soul - I Love You? It's true. And I want to give you my Love forever — David Lowell Rutledge

A native of New Hebron, Mississippi, Mr. Berry began a busy daily schedule early in life. In high school, he was active in all sports and class plays, and was the recipient of the school's Sportsmanship Award.

Continuing his active routine in diversified areas, Mr. Berry went to the University of Southern Mississippi upon graduation from high school. At U.S.M., he was appointed trainer of the freshman football team and was captain of the basketball team.

After receiving a Bachelor of Science Degree with a major in history, Mr. Berry came to Moss Point to teach American History and coach football and basketball.

Married to the former, Mary Frances Dickerson, the happy couple is now the proud parents of three children: Mary Carol, Beth, and Gene.

"The twig is so easily bended

Principal . . .

Mr. Gene Stauter, principal of Moss Point High, can look backward upon a varied and interesting past, and can look forward to a new and opportune future.

What is he like this "man about campus?" To be brief and do him justice is impossible. He graduated from the University of Southern Mississippi with a Bachelor of Science Degree in 1951, and in 1955 received his Master's Degree in administration. His experience in teaching social studies, as well as coaching basketball, has well prepared him for administration duties as the past thirteen years have proven.

We say that Moss Point High is only as good as its administrator, and we say that he's the very best.

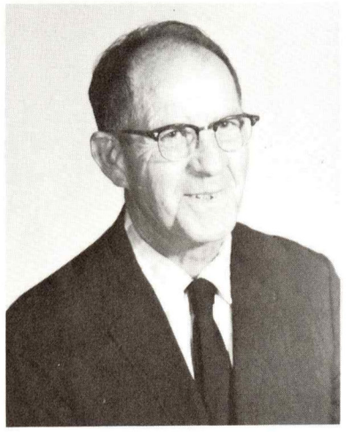
Assistant Principal . . .

One of the few people who come in contact with every dimension of school life is Mr. George Dale, our assistant principal. He is a disciplinarian, to be sure, but he is admired and respected by all. He is in charge of attendance policies, students schedules, and various other tasks.

Mr. Dale was born in Prentiss, Mississippi, and he attended Mississippi College. His teaching and coaching career began here at Moss Point. Besides having conducted courses in history, he has also coached basketball and football.

Here at Moss Point, "Coach Dale" is able to help students build a foundation for their future.

Teacher Of The Year



Mr. Louis Kendall

The Teacher of the Year Award is sponsored annually by the Student Council. This honor is given to the teacher whose attitudes, ideas, and teaching are the most representative of the ideal instructor. He must show a concern for the student, be sincere in purpose and get along well with his fellow teachers.

The Student Council is proud to announce the Teacher of the Year for 1968-69, Mr. Louis Kendall.

Mr. Kendall has been in the teaching profession for the past 36 years. He has a Bachelor of Science Degree from Mississippi State University and a Master of Arts Degree from the University of Florida. His many interests include collecting rocks and doing carpentry work.

The subjects taught by Mr. Kendall include Physics, Ninth Science, and Biology. Each year he works untiringly on the school's annual science fair. He has a sincere interest in all of his students and always strives to make science interesting to them.

Surely Mr. Louis Kendall is very deserving of this distinguished award.

Tigers Overtake Panthers

By demonstrating a vastly improved effort, the Moss Point Tigers registered a fine come-from-behind victory over Brookhaven's Panthers by a 13-9 count.

With Junior Quarterback, Alan Kilgore, leading the way, the Tigers presented a formidable passing attack. Kilgore hit on 9 of 12 aerials during the game. Senior end, Pat Presley, garnered the last completion in the end-zone with but one minute remaining to provide the margin of victory.

Key grabs by Bill Robinson, Jerry Lockhart, and Thad Brumfield provided much of the yardage during the Tiger touchdown drive.

An over-all fine defensive effort was spearheaded by Gary Clay Robert Beatty, and Wesley Cluff.

The victory was sweet for the Tigers as they avenged their first-week loss to McGill of Mobile.

Vikings Dominate Tigers

Moss Point's inexperienced Tigers fell prey to Gulfport East's Vikings to the tune of 38-6.

Scoring on their opening 55-yard drive, the Vikings dominated the first three periods of play in subduing the game Tigers. In the 4th period, the Tigers gained scoreboard prestige on a 14 yard pass play from quarterback C. B. Hale to end Bill Robinson, after a 68 yard, fourth-period march.

The Tigers garnered seven first downs and 49 total yards in their offensive effort.

Key plays were turned in by Thad Brumfield on a 39-yard burst from scrimmage and Steve Clay who grabbed an important pass in the paydirt drive.

Hattiesburg Drops Tigers

With Hattiesburg's Wayne Dickerson taking the opening kick-off 95 yards for a touchdown, the Hub City Tigers went on to a 35-6 victory and spoiled Moss Point's homecoming.

The local Tigers gained paydirt after a 74 yard drive. The score came on a pass play from quarterback C. B. Hale to end Bill Robinson. The play covered 36 yards. Key plays in the drive were an 11-yard pass to Jerry Lockhart and an eight yard run by Jimmy Emmerson.

Hattiesburg led Moss Point in first downs, 13 to 10, and total yards, 295 to 148.

Biloxi Rolls Over Tigers

Biloxi's Big 8 Champion Indians again displayed their championship form by subduing Moss Point's Tigers 68-6.

The undefeated Indians jumped to an overwhelming 28-0 first quarter lead and continued to pound their opponent's goal line for their marginal victory.

Jim McCool gained the Tigers' lone paydirt drive on a 24-yard sprint from his fullback position.

Panthers Trip Tigers

In the annual rival contest between Jackson county's prep powers, Pascagoula's Panthers overcame Moss Point's Tigers in a 27-0 triumph.

The victory was indeed sweet to the Panthers after last year's stunning upset by the Tigers.

The Panther's celebrated quarterback, Kent Higdon, sparked a first half drive which resulted in a 21-0 Goula lead at the break.

In the second half the 'Points' appeared to be on a comeback, but the Panthers' power prevailed and preserved the victory. Key interceptions by seniors Robert Beatty and Pat Presley, sparked Tiger defensive drive, while Gary Clay, Thad Brumfield, and C. B. Hale were offensive leaders in this their final prep, gridiron battle.

Young Inexperienced Tiger Show Spirit And Improvement

Beginning the hardwood season with some definite basketball handicaps, Moss Points aggressive Tiger cagers shook off a certain height and experience deficit to display promising offensive prowess and over-all game improvement. With Junior center, James Hunter, being the lone six foot plus man in the starting quintet, the Central Tigers extended Coastal powers to the limit on several occasions. After an inauspicious beginning, the Tigers registered four fine victories during the rugged winter season. Coach Ronald Russum's legions look to the future with a brighteye. The youthful A-team returnees will combine with an offensive laden B-squad and many Junior High graduates to present a formidable squad for next year.

Thelma Lucas

Portraying all the fine qualities typical of a Moss Point High School, Thelma Lucas has proven very worthy of her title, Miss Moss Point High School.

She has competed in the Beauty Pageant for four years. Her election as Miss Personality in the Who's Who is an example of the warm smile and friendliness she has for the students at Moss Point. Through tireless efforts, Thelma has maintained a high scholastic average, thus earning membership in the National Beta Club.

Although participating in many activities, Thelma has plenty of time to show a lot of Tiger Spirit. She served as a Senior Cheerleader and also as a Senior Maid in the Homecoming. And so a hearty salute to Thelma Lucas, MISS MOSS POINT HIGH SCHOOL.

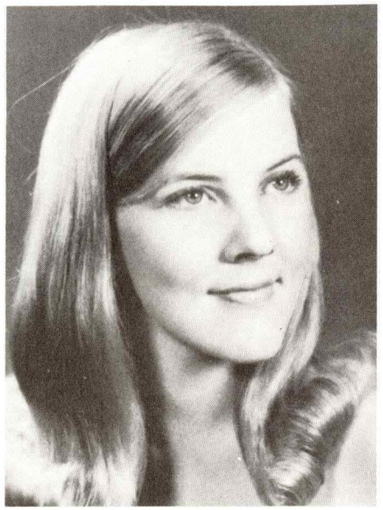
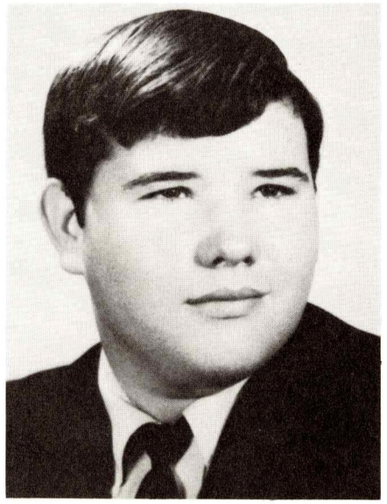
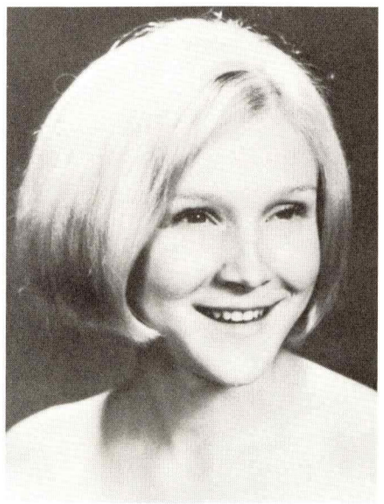
Hall Of Fame



Having served at the head of two school clubs, Terry Baxter is appropriately chosen to introduce the 1968-69 Hall of Fame. As President of the Y-Teens and Co-Editor of the GROWLER, Terry capably demonstrated leadership and tactfulness. Her friendly disposition and warm smile are a trademark of the '69 Senior Class of Moss Point High School.



A dilligent, hard-working Editor-in-Chief, Kevin Benefield, deserves a seat in his class's Hall of Fame. The school newspaper, THE TIGER FLASH, saw great growth under Kevin's able leadership. His journalistic prowess was further displayed in the person of Student Council reporter. As an officer in Hi-Y and delegate to Boys' State, Kevin again demonstrated a co-operative attitude.

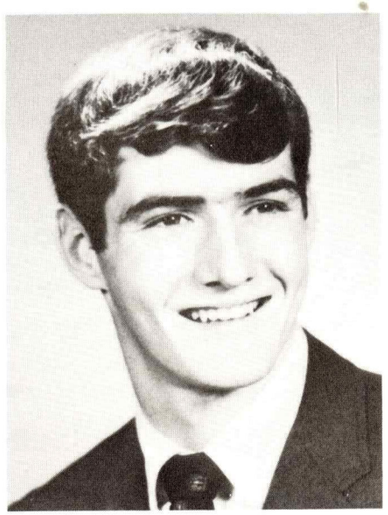


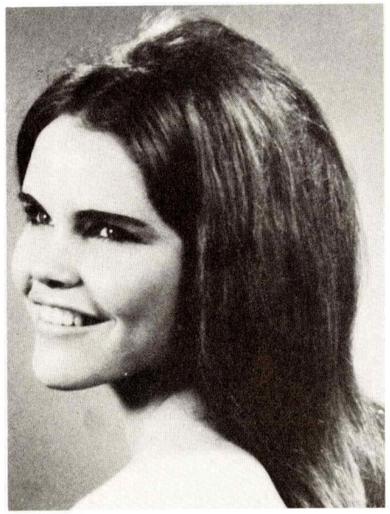
Efficient, vivacious Rhonda Miller has gained the respect of the faculty and student body with her capable business-like manner. As Co-Editor of the GROWLER, an officer in Y-Teens, and a Student Council member, Rhonda proved her worth as a student leader.

Our "Most Intellectual Girl" was selected by the Daughters of the American Revolution as their representative in the state Good Citizenship Contest.

Fame

A versatile student and athlete, Bill Jarvis has performed for his high school both on the athletic fields and in student government. A starter in football and basketball and a track letterman, Bill combined his sports ability with his academic qualifications to serve as an effective, personable Student Body President.





Blending beauty and brains into a mature student life, Jackie Wood assimilated her honors with a diversified extra-curriculum. Our Junior Miss and Homecoming Queen served as Secretary of the Student Council, a member of the TIGER FLASH editorial staff, and as Head Cheerleader. Jackie served as the leader of the school's Pep Club.

In the state pageant, Jackie was a finalist in the Junior Miss contest, and she was a preliminary winner in the Youth Fitness category.

A personable scholar, Pat Presley extended his scholastic interests to the athletic gridiron and student clubs. A delegate to Boys' State, a Beta Club, M-Club and Hi-Y member, Pat well deserved his Who's Who honor of Mr. MPHS.

As Honorable-mentioned All Big 8 Conference in football, Pat displayed the same fervor in the classroom to gain his position in this year's Hall of Fame.

~~Best~~ Patsy:
It has been nice being your friend this year and may our friendship last for ever. When you look back on the year remember the times we have shared together. Remember the good along with the bad times. I wish you every happiness that the world has to offer. I hope that we may have some classes together next year so we may share some more of the good times.
May good bless you and keep you safe for _____. I leave the blank for you to fill in.

Patsy,
I met you only this year, but it seems like we've been friends for centuries! You're such a great friend I couldn't ever write down how much your friendship means to me. Always remember all the WILD times we had in History! It wouldn't have been half as much fun without you! Patsy, always stay your same sweet self because no matter how hard you tried you couldn't be any greater a person than you already are. The Best of luck to a great girl. LOVE YA!

Tribute To The "One And Only"

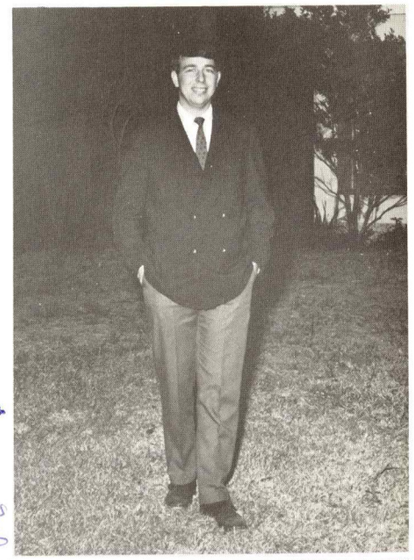
Fred Shirley

Never before have school publications measured up to such quality and promptness. This efficiency was due primarily to the efforts of its sponsor, whose patience and deep devotion were never failing. He balanced discipline with understanding in seeing that each job was completed. His wit brought relief to all in moments of crisis.

His loyalty and versatility were demonstrated by the many tasks he has undertaken at M. P. H. S. This year he has served as sponsor of the annual and paper staff. He was also sponsor of the beauty pageant and co-chairman of the Jr. Miss Pageant.

While leading young people in these endeavors he has set an example for them and been a friend to them.

Thanks For Everything!



Need we say more?

Bye Freddie!
